

BOGEN'S "ACE" TRAINING

Bogen Communications and **Graybar Canada** would like to invite you to attend a **FREE** half-day seminar on "Telecommunications Paging Applications".

Seminar Objectives

- Educate and empower attendees on telephone paging applications.
- Establish a working and technical understanding of the Bogen product line.
- Review and grasp the fundamental principles of "Sound".
- Examine the benefits of both **70-volt** & **24-volt** systems, and understand how to use this knowledge to increase your business and income opportunities.

BICSI Accredited Class

- 4 BICSI – RCDD Continuing Education Credits
- 4 BICSI – Technician Level Certification Continuing Education Credits

The class will be held on: **Thursday, April 16th, 2009**
