rotate stock

Trade-in and trade up your old competitor or
GE DVRs for new Hybrid technology!

DVD Trade-In and Trade-up Promotion Details

GE Security and Graybar Canada are providing a great opportunity—**upgrade your video surveillance system.** If you are using old DVR's (GE or other brands) trade them in for savings on the new Sym line of Hybrid GE DVRs.

When Purchasing a SymDec 16 plus 4 or SymSAFE Pro with greater than 1TB of storage, you can receive a credit for \$1000.00 for each old DVR traded-in.

When purchasing a SymDec 16 plus 4, SymSAFE Pro, or SymSAFE with less than 1TB of storage, you can receive a credit for \$500.00 for each old DVR traded-in.

All equipment returned will be recycled, meaning the HDDs will be erased in accordance with the DOD and HIPAA compliance standards.

Promotion extended: August 1, 2008 until further notice

**Promotion includes VCR and Multiplexer combinations*
