

Join Graybar Canada /Harris & Roome at:

Automation Fair 2010 November 3 & 4

Orange County Convention Center,
Orlando, Florida, USA

Register now for this educational opportunity to learn about the newest and best in automation technology!

Featuring the products, programs and partners of Rockwell Automation, this exposition is a must attend event if you are interested in industrial automation. All exhibitors at the show will be prepared to demonstrate solutions that can help you succeed today and in the future.

- View advanced technology displays from Rockwell Automation and their PartnerNetwork™ members
- A wide variety of educational sessions and workshops to attend:
 - industry forums
 - hands-on labs
 - technical sessions
 - demonstration workshops

The 9th Annual Process Solutions User Group (PSUG) event will be held Monday, November 1st and Tuesday, November 2nd at the Orange County Convention Center in Orlando. Depart October 31st for an additional cost of \$1000.00. Meals and an event on Monday evening are included. Space is limited.

The PSUG event consists of presentations, workshops, discussions, and best practices from industry leaders. Attendees include plant managers and information managers, process control engineers, quality management, production Operations Personnel, OEMs and SP Principals, VPs of Operations and VPs of Engineering, and directors of Quality and Reliability.
