Thank you for being a valued customer as we have transitioned to Graybar Canada. Now in a new, larger location on Maley Drive in Garson, we will be better able to serve our Greater Sudbury customers.

We will offer sales support, product support, and application assistance for our customers. With our extensive Demo inventory we can provide hardware and expertise for various mockups and scenarios.

In addition to the automation stock and services acquired from the AVAD purchase, we will be able to provide our customers with complete electrical, communication & data, security, and lighting supplies and services.

Please update your records to reflect the new location address below:
