Graybar Canada, an employee-owned company, is a wholesale distributor for thousands of items from leading manufacturers of electrical and communications & data products. Graybar Canada operates over 30 locations across the country.

Committed to quality through its customer service, products, supply and distribution, and performance, Graybar Canada is a subsidiary of Graybar Electric Company Inc., a Fortune 500 company, and one of the oldest and largest American electrical distributors.

If a customer needs an end-to-end solution for a lighting project, switchgear upgrade, a local or wide area network, or even a half-mile of electrical conduit, Graybar Canada has it, and gets delivered when and where it is needed.

Through its distribution network with value-added services and integrated solutions, Graybar Canada is helping its customers to power and network their facilities with speed, intelligence and efficiency.

Vancouver Branch
